

SHARON'S PARK

The John W. McCormack Civic Association

Invites You To Join Them In Celebrating
The Dedication Of Sharon's Park

The creation of this park serves as a lasting memory of the late Sharon Yokaitis, who was a long time Dorchester resident as well as the founder of the John W. McCormack Civic Association. Sharon served as a board member to bring our neighborhood many benefits. She advocated for enhanced public safety, fairer housing policies and a safer I-93/Columbia Road Intersection for both drivers and pedestrians.
