### Boston Food bank's Billboard Proposal

**Kathleen Marre** of the **FoodBank** and **Peter McClary** of Outcepts will share the design of the 60' and 80' high dual trifold billboards abutting the building. She will detail its higher purpose to provide revenue to this nonprofit organization. The membership will be asked to vote on this proposal.

### Civic association meeting LOCATION for JUNE

For the June meeting only, we will take it to the **Carpenter's Center** at 750 Dorchester Ave near the intersection with Howell Street Its your chance to see inside if you haven't been.

### Sharon's Park/ Paul's Triangle Update

National Grid's work project is nearing an end at **Sharon's Park** in a few weeks largely due to weather delays. Soon, they will be on Buttonwood Street, abandoning the older gas vault that is located on the sidewalk. Work by Ben Brown's landscape team will begin shortly at **Sharon's Park** including a faux grass covering for the metal vault. Following that the city's installation of new streetlights will complete the phase of renewal. Please remind your neighbors to curb their dogs in our new park spaces.

### Resident Permit Parking Expansion Requires signatures

Volunteers need signatures for the affected streets to move this 10am to 2pm item forward so that residents can secure parking during the day.

### Executive Board Elections

Executive Board nominations are scheduled for this meeting. A civic group needs volunteers to step up as leaders to advocate for the neighborhood. It is your chance to represent the voice of the membership. If you want to make a difference and be nominated or to support a nominee, please come to the meeting. Elections are scheduled for the **June 15** meeting.

### Open State Representative Seat: Planning a Civic Group candidate night

While the primaries for Brian Wallace's open seat for the Fourth Suffolk District are not until September 14th, that leaves only one more meeting, June, before summer break. This will be our chance to open the floor for candidates to present briefly and answer some questions from the civic group. We want your opinion on whether a June session would be beneficial.
